Agenda Item No. 4(I)

(Public Hearing 7-27-04)

TO: Honorable Chairperson Barbara Carey-Shuler, Ed.D.
and Members, Board of County Commissioners

DATE: June 22, 2004

FROM: George W. Burgess
County Manager

SUBJECT: Ordinance Creating the
Caribe Palm Community
Development District

RECOMMENDATION

It is recommended that the Board adopt the attached ordinance creating the Caribe Palm Community Development District (CDD) in unincorporated Miami-Dade County, pursuant to the authority granted by the Miami-Dade County Home Rule Charter for the purposes set forth in Chapter 190 of the Florida Statutes, subject to acceptance of the declaration of restrictive covenants running with the lands within the jurisdiction of the CDD.

BACKGROUND

Caribe Park, L.L.C., a Florida Limited Liability Company, owner of the Silver Palm Homes Development, has filed an application to create the Caribe Palm CDD in connection with said development. Silver Palm Homes is a 50.00 acre residential development lying wholly within unincorporated Miami-Dade County, in the area bounded by S.W. 112th Avenue on the east, theoretical S. W. 114th Avenue and theoretical S.W. 114th Place on the west, theoretical S.W. 230th Street and S.W. 232nd Street on the south and theoretical S.W. 228th Street and theoretical S.W. 229th Street on the north. The CDD is designed to provide a financing mechanism for community infrastructure, services and facilities, along with certain ongoing operations and maintenance for the Silver Palm Homes development. The development plans for the lands within the proposed CDD include construction of 156 townhouse and 140 single family units with associated roadway, storm drainage and water and sewer facilities estimated to cost approximately \$6.680 million. A detailed summary of CDD elements, as well as their cost and anticipated lack of fiscal impacts to government agencies, is presented in the attached application submitted by Caribe Park, L.L.C. In accordance with Florida Statute 190, Caribe Park, L.L.C., has paid a filing fee of \$15,000 to the County.

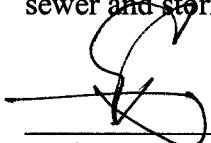

A declaration of restrictive covenants will be proffered at public hearing by the owner of the lands within the CDD jurisdiction, providing for notice in the public records of the projected taxes and assessments to be levied by the CDD, and providing for individual prior notice to the initial purchaser of a residential lot or unit within the development. The document shall also include provisions for remedial options to property owners whose contract for sale did not include timely notice of the existence and extent of CDD liens and special assessments.

This Board is authorized by the Florida Constitution and the Miami-Dade County Home Rule Charter to establish governmental units such as the CDD within Miami-Dade County and to prescribe such government's jurisdiction and powers.

This development roadways are all public, and will be maintained by Miami-Dade County. A special taxing district shall be created to maintain this development's common element landscape tracts should the Homeowners Association (HOA) or CDD be dissolved or fail to fulfill its maintenance obligations. This special taxing district will remain dormant until such time as Miami-Dade County determines that the HOA or CDD is not performing.

FISCAL IMPACT

The creation of the Caribe Palm Community Development District will have no fiscal impact on Miami-Dade County other than normal maintenance of the roadways, water and sewer and storm drainage facilities dedicated to the County.
